Malena recalls the first and only meeting she attended. There were only two or three other people there. She stood up and put on a brave face. "My name is Malena," she said. "And I'm addicted to ass-eating." The group welcomed their newest member with slobbery hellos and slaverling salutations. She went back to the same basement a week later and it was standing room only. A line stretched around the block. Malena hasn't been back since. "I thought I was the only one who binged on butthole," she says, recuperating after a weekend-long back-fender buffet bender. "If rimjobs are wrong, who wants to be right?"

HALF-ASSED

“Math is for duff suckas!” whines sexual anti-intellectual, Shyla, frowning over her GED study guide. “Like I’m really gonna use *fractions* in real life.” Armchair mathematics professor and tenured slut, Bree, slips off Shyla’s miniskirt, spreading the cynical student’s bulging ass cheeks apart. Her tongue lunges into Shyla’s snugly butthole while her fingers churn sloppy pink paydirt. She can feel the heat radiate off Shyla’s sopping-wet hunk of cunt. She greases two fingers and penetrates her friend’s twat, from lips to wall. “Here’s a fraction you can use,” says Bree, sucking down a mouthful of ass. “*Half and half.*”

WHOSE SEX TAPE TRULY REIGNS SUPREME?

By ROB PEREZ PHOTOS COURTESY OF VIVID ENTERTAINMENT

29672

Can music impresario Ray J be a true star maker?

Ray J, the star of VH1's *For The Love Of Ray J*, *Brandy & Ray J: A Family Business*, not to mention the infamous sex tape *Kim Kardashian, Superstar*, does have some serious cred as an star idol-maker and when he recently declared, "I don't hang with stars, I create stars!" Point well taken. Before the release of *Kim Kardashian, Superstar* [by Vivid Entertainment], Kim was mainly known for being "Paris Hilton's best friend"—a pretty, but spoiled Hollywood wild child who loved shaking her big ass at the clubs during all hours of the night. Then the smooth-talking soul crooner came into her life and everything changed. With the release of the infamous sex tape, Kim Kardashian suddenly became the most famous person in America—for doing absolutely nothing except getting the shit fucked out of her on camera for all to see. Ironically, Kardashian's performance eclipsed that of her former friend, Paris Hilton. Paris herself had become an overnight sensation after a tryst featuring her and then-boyfriend Rick Salomon was suddenly leaked on the Internet. Kim had learned first-hand from Paris how to successfully market oneself in light of a sex tape revelation and she used the world's overwhelming curiosity to build her brand.

As for Ray J, his career went on without a hitch. Since the release of *Kim Kar-*

dashian, Superstar, he continues to record. In a strange way, the sex tape has helped him branch out and once and for all shed the shadow of his more-popular older sister, R&B sensation Brandy. With the tape's notoriety continuing to grow, sales of Ray J's music went through the roof, quickly enabling him to "nail" starring roles in two hit reality series' on VH1—the previously mentioned *For The Love Of Ray J* [which lasted two seasons], and *Brandy & Ray J: A Family Business* [which recently ended it's first season. A possible second season is currently in the works.]

Then there is "Caviar"—better known as Bethany Benz to all you porn lovers. As a matter of course, once Kim gave Ray J the boot, the music man immediately went on a massive pussy hunt. His VH1 series *For The Love Of Ray J* was specifically designed for him to meet the new love of his life—and in walks Caviar. This fine coco-skinned sista, already an object of pure lust and desire before even stepping foot on a porn set, blew the other girls on the show away.

Half-Russian, half-Nigerian, her exoticness immediately caught the attention of music video casting agents across America, who instantly put her front and center in music videos for R. Kelly, Twista, Snoop Dogg, and T.I.

Surprisingly, even despite her best efforts, Caviar apparently wasn't sexy enough—or perhaps wouldn't put out enough—for Ray J. In an astounding move, she was kicked off during Episode Four of the first season after Ray J came to believe that she was only appearing on the show to garner publicity. And—for the record—no, the two purportedly never had sex during the show, although Caviar did reportedly give the star a very hot lapdance before getting the boot. During one

Birthday: January 12, 1987

Measurements: 34D-24-36

Height: 5' 9"

Weight: 135 lbs

Relationship Status: Single, but dating.

Movies: *Mr. Marcus' Sex Drive* (Vivid), *Fresh Booty* (Elegant Angel), *Phat Ass White Booty 6* (Jules Jordan), *POV Jungle 3* (Vince Voyeur Unleashed), *Porn's Top Black Models 2* (Elegant Angels)

TV Series: *For The Love Of Ray J* (Season 1)

of Caviar's last shows, Ray J responded to Caviar's general lack of enthusiasm during an important challenge crowning, "My ex-girl did better on *Dancing With the Stars*, baby," an obvious dig at Kim's disastrous exploits on *DWTS*. But no way was Caviar going away without having the last word. When asked if she was sad to be leaving, the exotic seductress cooed "Ray J was kinda too short for me, anyways." Boo-Yah!

Today, Ray J is probably wishing he got to hit that Caviar. Since her elimination from the reality show, Caviar has changed her stage name to Bethany Benz and entered the rarified world of porn, where she is currently one of the top-rising African American performers in the business. She's landed several boxcovers and scenes in films for such big time studios such as Elegant Angel, Jules Jordan, and Vivid.

In *Mr. Marcus' Sex Drive*, released by Vivid, not only did Bethany score the cover, but also performed with one of porn's all-time great cocksmen, Mr. Markus. Her performance was so stellar that XCritic.com wrote, "Bethany certainly has a body built for sex, but she also can tease and flirt with it...the chemistry between the performers is key, which makes for a great scene. Bethany is an adult star in the making."

So things certainly look bright for all three parties involved. Ray J continues making music and working on his reality show. Bethany Benz is the odd's-on-favorite at the upcoming AVN Porn Awards to walk away with the title Best New Starlet. She continues to do porn and other outside projects. As for Kim, it's safe to say that she's benefitted most from her sex tape. Originally said to be devastated by its release, Kim went

from no one to someone literally overnight, earning millions in the process, but she has yet to thank the one man that made it all possible. Since the tape's release, Kim Kardashian has become a household name: she's had her own show, clothing line, and has been on numerous magazine covers.

Kim and Ray J remain on unspeaking terms. Or are they? It was recently reported on urbandaily.com that the two were allegedly seen at an undisclosed parking garage via a security camera that caught the two former flames hugging one another. So have they made up and are they friends once again, or is it something more? Could this be one of the reasons Kim's engagement [to Kris Humphries] keeps getting postponed? Let's hope the truth will come out one day.

Brooke Banner knows that being orgasmic starts with eating organic, which is why she only shops at her favorite overpriced natural foods supermarket, Hole Foods. "I used to be a vegetarian," says Brooke, as a Hole Foods meat master helps her re-bag some ripe, round produce. "Hole Foods only handle their meat with cruelty-free methods." Meat is certified cruelty-free when it has been raised humanely. Some meat suffers for lack of fresh air and light, cooped up in tight, cramped bung-sized holes. Hole Foods meat is allowed to breathe and hang loose. "Happy pork" isn't choked to death like a chicken—it's allowed to dangle so customers like Brooke can see how a mouth-watering sausage measures up. "I wouldn't put anybody else's meat in my mouth!"

FIRE IN THE HOLE!

Jana loves wax—a white, phallic-shaped candle serves as some kind of sick aphrodisiac for our needy blonde slut, who can't resist the warm, gasp-inducing insertion into her pussy and ass. The need to fill her mouth with her own used panties paints an even more disturbing picture of issues—most likely heartbreak, desperation, and lesbian tendencies. We're no doctors, and some might say we're the last people qualified to diagnose someone's sexual issues, but in our defense we jerk-off a *lot*, so much so in fact that we're pretty sure our diagnosis is accurate enough to crank one out to. Have at it.

We're fucked. More unmistakably and emphatically fucked than Sasha Grey while blacked out drunk in a soundproof cellar during a meet-and-greet with sexually insane felons on complimentary amphetamine and Viagra night.

But unlike Sasha, we're *not* having a good time.

Recovery from the Great Recession is taking longer than most economists expected. This crisis was engineered by a cabal of offshore bankers, the Federal Reserve (the Fed), complicit politicians, and multinational corporations. Disingenuous financial euphemisms have been invented to scare us from rocking the boat. Orwellian nonsense like "down

sional and reinforced by the very institutions they helped grow: The Council on Foreign Relations (CFR), the Trilateral Commission, and The International Monetary Fund (IMF). It's no surprise that these crypto-fascists were the same people who had a hand in wonder drugs like Viagra, a pill fortuitously engineered for manifesting what they saw as another of their God-given rights—the never-ending ability to launch a tadpole rodeo well into their 100s. The pharmaceutical enabled them to enjoy strong, four-hour erections despite not even being able to hold their heads up for the big finish—a putrid yellow and green-colored load. These putzes turned a middle-class country full of promise and hope into a third-world police state. Con-

Speedway. Bitch Ditch. Velvet Doghouse. Call it what you may, only *pussy* can restore America to its former glory. But ladies, you're going to have to keep an open mind—and an open spunk silo.

TAPPING THE HIDDEN WEALTH

America might have tapped the better part of its oil reserves long ago, but our vaginal assets have yet to reach peak-pussy status. American cunt is the finest cunt on the planet, and it has the power to get us back on the path to long-term growth. Innovation, trade agreements, research, and development be damned, snizz is the remedy to right this stinking ship.

Simply put, "We need a few good hair-

"Pussy is the one and only resource we have left at our disposal that can save us from collapse."

growth," "negative profits," and "downward correction" only serve to continue the game of absolute fraud that's been perpetrated by our overlords. The engine of job creation, corporate America, is sitting on a \$2 trillion golden egg acquired through record-breaking profits, soaring stock prices, wage reductions, and virtually free credit. Corporate executives are taking home millions a year in bonuses, but the companies still aren't hiring. If they don't start soon, your Average Joe will have to do something—*Drastic*.

RUPTURED BOWELS & RUINED FUTURES

For some 40 odd years, a plague of depraved, self-centered, self-indulgent, Baby Boomer-elites have called the shots and done their level best to drive this country bow-first into a stinking iceberg of debt. While their hapless generational counterparts burned their draft cards, danced in naked circles, and put on sequined bandeau tops and satin jackets, boogie-ing off to "find themselves" in the reflection of their coke spoons, our "leaders" have been ass-deep in an orgy of government spending, dismantling the country's infrastructure, and systematically shipping it overseas.

Their treasonous carousing was, they believed, their birthright: an entitlement. For decades they bled money from taxpayers and spent more, racking up trillions in debt under our names. One day they woke up and discovered there was nothing left to take, so they fucked around with the numbers and found new ways to spend money that didn't exist until they had humped themselves hopelessly dry, their ruptured bowels leaking gallons and gallons of Chinese splooge, Middle Eastern fossil fuels spurting from their ruined rectums. They were caught, but they didn't care. By that time, they had already wrecked the hell out of the place and left us with the bill: \$14,000,000,000,000.

Their sense of entitlement was delu-

spiracy theories be damned, there are some very powerful douchebags in this world who want to kill us: Specifically, 92% of us. Their goal: To get the world population down from 6.5 billion to around 500 million—and they're well on their way.

A recent Brookings Institution report confirmed that in the past 13 years, these cockhounds managed to ship what amounted to the last third of our manufacturing jobs overseas. The U.S. dollar is no longer the reserve currency of the world. All manufacturing sectors of our economy are gone, except for airplane production and weapons making.

President Obama has championed education as a way to spur U.S. manufacturing growth and competitiveness, but our college grads, so disillusioned by life that they now live in a completely delusional state of irony, continue to earn degrees in such fruitful, exportable arenas like Hip-Hop Dance Choreography, Turntable Arts, Reality TV Writing, and Advanced Singing Competition Judging. Meanwhile, the rest of the world graduates chemical engineers and computer scientists. Our short-term prospects for recovery are bleaker than Casey Anthony's prospects of getting hired as a nanny.

Despite a succession of treasonous leaders from both sides of the aisle, we are far from a vanquished state. While the world anxiously waits to write us off and cheer the final death blow to America, we must look inside ourselves to find the answers. *Deep* inside. Right about *there*. Yeah. *Mmmm*. That nice wet spot between those tight, golden thighs.

Pussy is the one and only resource we have left at our disposal that can save us from collapse. *Pussy* can lead us out of the recession, out of the financial straits we're in. *Pussy* is power! It's the easiest small business to start: simply spread your legs and there you go. Instant enterprise! Muff. Snatch. Cooter. Cock-warmer. DNA Dumpster. Meathole. Fish Mitten. Stanky

pies!"—a few million, actually. Like the old poster said, "Uncle Sam Wants You!" Except Uncle Sam doesn't want *you* so much as he wants your beloved's stinkhole.

Americans are dreadfully frightened to spend *any* of their money these days because they're worried, and with damn good reason. They're worried about losing their jobs, about their interest rates shooting up, and they're no longer able to afford their mortgages—much less pay them. On both sides of the aisle, our leaders are incompetent clods, more skilled at sending pictures of their weiners via text message than understanding economic principles or making competent policy decisions. Either way, they haven't inspired leadership among the people—that is, until now!

Rental Pussy will be the foundation of our Nude Deal!

Gorgeous gash, admittedly, only makes up between two and three percent of the entire poon population. For most women, we must institute a "cash for clunkers"-style program to get un- and under-used pussy serving our future.

Husbands will be called on to do their duty and rent out their wives for \$20 to \$30-a-trick to horny Americans in need. Overnight, money will start circulating again. Businesses will soon find that it's safe to hire again. Slowly, with widespread, standardized spouse rental, men won't have to waste so many unproductive hours trying to get a girl to sleep with them, only to be left in the lurch after buying her \$300 worth of Wal-Mart jewelry and then watching her roar off to her baby-daddy's crib in her loud, pink tinted-window Honda. Men will now be able to use these up-to-now long-lost hours to increase productivity—or just plain sleep.

Sure, it may mean watching from the car while some ass-chin Joey Buttafuoco wannabe in Zubaz pounds the hell out of your little lady and sprays his spunky bag of dick cheese right in her kisser, but once

you're back at home, helping her pick the hot, chunky bits of soupy semen from her hair and rinsing the jizz from her contacts, you'll understand what it means to sacrifice for your country. This is *our* Omaha Beach—except the tide is low, sticky and reeks of sweaty balls. And that \$30 in your pocket, it's not going to the bank. It's going right back to one of America's finest local breweries. You'll *need* a drink after witnessing your wife defiled like some common farm animal. Or, maybe you'll go out and rent-a-wife yourself. A little bit of strange will make a new man out of you.

Wife rental is a practically untapped market with the promise of unlimited growth. It just comes down to how many dicks that special "bride" of yours can milk.

That lovely lady who once stole the breath from your lungs and stopped the thump of your heart with a smile and glance—if she can open her legs to a train of strangers on a filthy back-alley mattress behind a bowling alley, she'll be a proud member of America's Cum Corps. Like the Greatest Generation that stepped up and laid down their lives to defeat fascism in WWII, your little lady will be laying down to defeat the blueballing of the American Dream.

ROSIE THE RIVETER MEETS BETTY THE BLOWJACKER

It's the dawning of a new generation of Rosie the Riveters, that doo-ragged dykey icon that rolled up her sleeves, made a bicep muscle, and said "We Can Do It!" This new breed of splooge-covered Betty the Blowjackers will be arm-wrestling a fat penis, wires of spit and jism connecting the penis tip to her swollen lips while the poster reads, "I Just Blew It!"

In a culture where even the billionaire chief of the IMF (International Money Fund), Dominique Strauss-Kahn, allegedly risks his future career for the low rent poon of some African immigrant cleaning lady, you can be *absolutely* certain that snatch is the great equalizer.

Sure, you were loaded up on dopamine and lust for the first six months that you knew your girlfriend. You even got down on bended knee and presented her (and DeBeers) with three months worth of your burnt-out blood and sweat crammed into the Princess cut promises of a diamond ring.

Now, she's the one bent over, giving out rings of her own—stinky brown ass rings around the shafts of butt-hungry bandits who just can't get enough. Russet-hole kisses wrap around their plump-rankled peckers. You've rented out your soul mate's exit tube for the price of a night at the movies, but hell, it's not like you were using it. It's like owning an empty house and not renting out a single room. Now you're maximizing space and time: you're an American ass-tronaut.

Some women are mansions, but a lot of them are, well, mobile homes, trailers, and fifth wheels missing an axle. They may not be hot enough to melt your balls and make you jizz your pants, but fucking is *all* about the experience. Banging your best friend's mom will be a memory you treasure forever, much more than you would if you had blown that \$30 at Wal-Mart on a Larry the Cable Guy Tailgate Grill—and the good old-fashioned American free market dictates that even your 700-lb BBW with bedsores and roving pockets of pus can participate in the new sexual economy. Sure, she won't rent for the same price as say Angelina Jolie, but you can bet that somebody, maybe on a dare, will spend a couple rolls of nickels to fuck her. Extreme sex can be *powerful* sex.

Let's face it, relationships have a way of changing for the worse. For every successful one, think of how many you've had to go through just to get where you are now. It's probably 20-to-1. Looking back now, if you could've rented out those 20 girls you were with before you met "the one", wouldn't you feel much better about some of those relationships today?

We only live once. And we're all freefalling quickly toward death. Despite the facial cum shots you've unselfishly blessed your dream girl with, all those balls you've tapped, sapped, and drained in vein on your spouse's skin, that cheek isn't quite as soft as it used to be, is it? Admit it, there's a single hair, about half-an-inch

long growing from her chin. Her once-sweet breath now has the bite of halitosis in the morning. She farts under the covers and makes you sleep in a big, stinking dutch oven. She insists on kissing you with the same mouth that was just haggling your sausage, the same mouth that was tea-bagging your disgusting sweaty ballsack. And she's right, her boobs do look sorta funny and uneven now that you've spent so much time looking at them, and that little bit of cellulite under her ass: it's going nowhere.

But perhaps the most offensive thing of all about your girl is she fucks *you*! You know damn well what a horrible fucking half-simian skank beast you are. Face it: You're fucking disgusting. You smell bad. You're completely unreasonable. You're stupid, selfish, bitter, a poor sport, lousy in bed, lousy at work, can't run a mile to save your life, you're a fucking pathetic man who whores out his wife for \$30 a throw. You're practically a zoo animal. You are sloth personified. We all are.

Let's put all that aside. It's important that your whore money gets injected directly into the economy.

This isn't the kind of cash you want to save for a rainy day. Let's face it—it's pouring in America. And from the looks of those fuzzy-looking clouds on the horizon, it'll soon be pouring jizz.

There are only so many times that you can stretch the same-old banged-out hole and act out the same old five-minute routine: missionary, doggy-style, back to missionary, and there. Then you say "I'm gonna cum" and cannon your load onto her tits. As she goes to wash up afterwards you turn on the TV and watch an

episode of *Law & Order: SVU* you've seen seven times. What would Ice-T do?

"One down bitch is worth ten funky hoes," the former pimp schools in his new book "Ice: A Memoir of Gangster Life and Redemption from South Central to Hollywood".

Det. Odafin Tutuola knows the pimp game like the back of his pimp hand. If you could get him to elaborate, he might say "America needs raw-ass pussy right

fucking sit still. It's a musical. It's a soap opera. It's a mobile phone commercial. It doesn't matter what movie it is, here's how it ends: The guy with the good hair gets the girl and then loses her, he either dies tragically or wins her back triumphantly. Asian Porn with bigger, rounder faces. The ChiComs seem smart on the surface, but then again, they were stupid enough to loan us a trillion dollars. Once the Rental Pussy State (RPS) is established, people will find less need for Pokemon Bobble Heads and even less reason to blow \$19.99 on size 4XL Dale Earnhardt, Jr. men's pajama pants or \$109 on a Jimmy Johnson Stacked Crystal Logo Ring Set for women. now. You rented out your girlfriend like a rusty, mint green '84 Olds wagon with a passenger side window made of duct tape and saran wrap. Somebody takes the bitch out, bangs her into a coma..."

Okay, Ice. That's enough.

Remember that approximately three percent of all rubbers break or are unsound. It's good to keep in mind when your lady comes home from a rental and she wants a kiss to have her gargle with one part Scope and two parts Nonoxynol-9 to kill any stragglers that could be swimming free in her saliva or in the back of her throat.

WE'RE BACK, BABY!

Anybody who says America can't compete in today's high-tech global marketplace hasn't been watching the kind of inferior smut coming out of the so-called "Asian Tigers," the miracle economies of countries like India, China, and Japan. While they may be good at manipulating their currencies and buying up our worthless debt (there's really no chance in hell we're ever going to pay that shit back), the fact is, they can't make a decent porno to save their stinking lives. Sure, they can make cheap, reliable cars, but when it comes to producing even remotely effective jerk-off material, they fail miserably. *Sayonara*, shitbags!

Indian Porn—when you can even find it—is so offensive to the senses that it's like watching a group of lepers picking their scabs. The women often look like recent victims of train violence. Centering a fuck scene for simple viewing purposes is hardly in the scope of those with graduate degrees, yet these clods seem to have trouble even keeping a damn camera still. India has the biggest movie production region in the world, Bollywood, which makes thousands of feature films per year, all of them the friggin' same. They all look like flash mobs made up of people doing a musical about ADD. These people just can't

the maddeningly irritating squeal of a six-year-old screaming about a Daddy longlegs in the car.

Japanese Porn is perhaps the most schizophrenic, pixilated, unicorn fuck factory ever to wear an X-rating. It's as if it exists in its own freaky fantasy vacuum world. It's part game show/part spectacle meant to embarrass someone to the point of suicide. Hello Kitty-worship and group humiliation are common themes. Japanese girls squirm on doctor's tables as though too drugged-up to move, their eyes glued shut as tightly as possible. As they attempt to cover up their faces from the camera, a Japana nerd plays Mars rover with a remote control stuffed animal. Yes, apparently dropping a pair of nuclear bombs on a population really seems to have fucked with their heads. You can't see their genitals because they are pixelated by law. The country that invented the fine art of Bukkake can't seem to cum unless they're fucking a stuffed panda in a yellow jock-strap or a girl dressed like an action figure. Video Of The Year goes to whatever movie caused the most humiliation-fueled suicides among the cast.

China is a tough market to crack. They have a Ping-Pong paddle-like grip on most of the crap made in the world, and they don't respect intellectual property rights, so it's as though BitTorrent founded a nation state. The British had similar problems during their colonial occupation—the Chinese didn't want to buy any English goods. So the Brits cornered the opium market in India and forced it on the Chinese, hooking most of the nation on the sweet smoke of morphine. It turned into the Boxer Rebellion and a lot of innocent people died and nowadays China is off the pipe and back to underselling every other market on Earth, by devaluing their currency and spearheading slave labor wages at factories. Chinese Porn is just bootlegged copies of American or South Korean Porn, which is just any other

where, we will no longer feel that bitter emptiness in our lives that makes us flock to Wal-Mart at 3:20 a.m. after a few hours of fitful sleep just to "see what's cooking" in the way of marked-down Bobby LaBonte Merchandise.

When it comes to adult entertainment, America takes a backseat in the buddy booth to no one.

NO COCK-BLOCKING ALLOWED!

Women who are tired of their meal ticket can, likewise, rent out their husbands to interested women for everything from bug-squashing to holding them upright so their asses don't have to touch any toilet seats. It's really no different than the status quo—many women rent their husbands out to the power company or to the car factory for eight hours a day. Guys, don't expect to be rented out for anything but drudgery. Woman can be cruelly passive-aggressive like that.

It's stimulus for your package that doesn't cost the American taxpayer the trillions of bucks Bush and Obama spent bailing out companies through the Troubled Asset Relief Program (TARP) and on financial stimulus packages that seemed to go absolutely nowhere. Whoring out your honey bunny is about the most patriotic thing you can do. A woman selling handicapped pussy access to a group of semi-ambulatories at Colostomy Con is a woman employing the very best of American principles. Even presidential candidates like Sarah Palin and Michele Bachmann could get into the act. If Palin wants to compete against Obama's one-billion-dollar War Chest, she simply needs to open up the backcountry. She'd make a small fortune letting GOPers and Democrats bang her in the butt. Her daughter, Bristol, could even help out her mom's campaign, though it appears she prefers to work for free.

A dollar backed by ginch would be the new gold standard of currency. If you doubt that, just try fucking a bar of gold!

BUBBLY BLONDE

Cars. Boats. Housing. Food. Butts. Energy use. They say that everything is bigger in Texas. Raised in San Antonio, big-assed blonde Alexis Texas says it's also true about nut-sack payloads. "Around here we call 'em *toad chokers*," she says, referring to the torrential ropes of pud plasma that sweet Texas gals like her dream about at night. It's a fairy tale fantasy life of facials and fuck slop for Alexis, but instead of the princess being crowned with a diamond tiara, her pretty green eyes and pouty lips are plastered with ball juice. She catches a Texas-sized load with her forehead. "Welcome to the Lone Star state," she smiles, jism dripping from her mouth.

BIBI JONES

THE HIGH SOCIETY

INTERVIEW

PORN VALLEY, CA—BIBI JONES MIGHT JUST BE ONE OF THE MOST INTRIGUING ADULT ACTRESSES TO COME ALONG IN QUITE SOME TIME. SURE SHE'S A GORGEOUS PORN STAR WITH INSATIABLE FUCK LUST, BUT SHE'S ALSO A VIVACIOUS LOOSE CANNON DISTURBINGLY HONEST ABOUT HER FREQUENT SEXUAL CONQUESTS—BOTH ON-SCREEN AND OFF- . AS A RULE, XXX STARLETS RARELY TALK ABOUT THE STEADY DIET OF DICK THEY DINE ON "OFF THE CLOCK." MOST WORKING GIRLS SIMPLY REFUSE TO DISCUSS *ANYTHING* ABOUT THOSE WITH WHOM THEY'RE INVOLVED OFF-SET. BIBI JONES IS DIFFERENT. THIS BODACIOUS BOMBSHELL WILL GIVE YOU NAMES AND NUMBERS, RIGHT ON THE SPOT. MATTER OF FACT, BIBI EVEN ADMITS THAT SHE'LL OFTEN HAVE SEX WITH THE FIRST PERSON WHO ASKS! THAT'S RIGHT, PORN FANS, HERE'S ONE HARDCORE HOTTIE YOU ACTUALLY HAVE A SHOT AT BONING. AND NOW, WITH PORN HOUSE HEAVYWEIGHT DIGITAL PLAYGROUND SOLIDLY BEHIND HER, BIBI'S FANBASE IS DESTINED TO GROW EVEN LARGER. HER FIRST TWO FILMS FOR DP, *ASSASSINS* AND *BABYSITTERS 2*, HAVE BEEN HUGE SUCCESSFUL. WITH SEVERAL OTHER ADULT PROJECTS NOW UNDER HER BELT, EXPECT THIS NEW CONTRACT GIRL TO REACH SUPERSTAR STATUS OVERNIGHT. BIBI JONES IS FASCINATING, INDEED!

HIGH SOCIETY: *How does it feel to be a part of the Digital Playground family?*

BIBI JONES: Digital Playground is the best. I don't know if you've seen any of our movies, but they're just the highest quality and we have the hottest girls. The fact that I'm now with them is awesome. I get to fuck all these hot girls—the hottest girls in the industry. It's a little surreal. I've watched Digital Playground movies for years now, so it's really cool to be a part of the company.

HS: *How did you get started in porn?*

BJ: I got into the industry by contacting a couple of different agents, Mark Spiegler [SpieglerGirls.com] and Chris Kane from Fox Modeling. I decided to go with Fox Modeling and I was with them for two months under the name Britney Beth. I started shooting for a bunch of different companies and Digital Playground, New Sensations, and Bang Bros. all offered me contracts. I accepted Digital Playground's [contract] back in December 2010.

HS: *One of the first films you shot for Digital Playground was Babysitters 2. Can you tell us about the scenes you're in?*

BJ: I'm in two different scenes. I'm trying to be a babysitter, but I'm really a hooker. [Laughs] Evan Stone pays me to fuck him in the movie. The second scene was the all-girl orgy, plus Manuel Ferrara. I got to fuck Stoya, Kayden Kross, Jesse Jane, Riley Steele, and Manuel in that movie.

HS: *Which of the Digital Playground girls are you most attracted to?*

BJ: I would say Kayden Kross. I just think she's beautiful and is my favorite porn star ever, even before I got into the industry. When I first met her at AVN this year, it was really exciting. I felt like a fan even though we're both Contract Girls at the same company and we do the same thing. I was like, "Oh my god! It's really her!" That was so awesome. A month later I got to fuck her. It was the best. I loved it. [Laughs]

HS: *Outside of porn, do you have sex very often?*

BJ: Oh yeah. It's with a variety of people. I have a fuck buddy list on my phone. Every night I go through my list and just pick a guy that's in there. I have one in Phoenix, where I live now, I have one for whenever I'm in LA, I

have one for whenever I'm in Vegas, and I have one in Oklahoma, so I have one when I'm home. I have to be fucked everyday. I don't know if I'm a nympho. I guess I'm a nympho! I just love sex; I love everything about it. I love getting off. If I don't get fucked that day, then I have to masturbate, but I just love to get off.

“I was at a Super Bowl party. My girlfriend and I had a bet. If the Packers won, I'd fuck all the guys there and if the Steelers won, she'd fuck them. The Packers won, so I got fucked by all the guys there. It was a lot of fun.”

HS: *What does a guy have to do to have sex with you?*

BJ: I meet a lot of my fuck buddies. If I'm in Phoenix, I dance at a local club there just for fun. It's a great way to meet some of my fuck buddies. Or whenever I'm out and about, going to the grocery store, I've added guys from there. If I ever see a hot guy or someone at the dog park—as long as they're nice. I don't like douchebags. So long as guys are really sweet to me, I'll give [him] a try. [Laughs]

HS: *Have you always wanted to do porn?*

BJ: [Laughs] Not always. I thought it might be something that was cool. It was a fantasy, but I didn't think I would do it. Then I started thinking about it as a career. When I did the research and found an agency, I just didn't stop. I kept on doing it. I kept researching, made a few phone calls, did my first scene, and I liked it. I don't plan on stopping anytime soon.

HS: *What's the best thing about being a porn star?*

BJ: There's so many good things. Obviously, getting fucked is great. Being noticed is kind of cool.

HS: *What's the worst thing about being a porn star?*

BJ: The worst thing is being underestimated. I think people have this stereotype of porn stars being dumb and not really loving what they do for a living. They just fuck for money. I don't like that stereotype. I'm not dumb. People think that because I do porn I'm an idiot.

THE FUCK FACTS

Birthday: July 23, 1991

Measurements: 34D-22-32

Height: 5' 6"

Weight: 110 lbs

Movies: *Babysitters 2* (Digital Playground), *Naughty Nanny 3* (Smash Pictures), *She's So Cute 3* (Digital Sin), *Lesbian Seductions Older/Younger 35* (Girlfriends Films), *Naughty Rich Girls 5* (Naughty America)

HS: *Where would you rate yourself, looks-wise and body-wise, on a scale of 1 to 10?*

BJ: I don't know. That's really hard. I would rate myself really high, not that I'm insecure. I would rate myself a 9. Other people might give me a 10. [Laughs]

HS: *What would you say is your best and worst physical feature and why?*

BJ: My best would probably be my eyes. They change color from green to blue to grey; then maybe my smile. I won best smile in high school. Worst would be my pussy lips. It's like having an outtie pussy. Most girls in the industry don't, and I see that as a flaw.

HS: *Are you a very dominant or submissive person?*

BJ: Sexually, I can be either. I guess it just depends on whom I'm with. Most of my fans know me as being submissive, but it just depends on what that scene is. If I'm playing a good little girl I'm more submissive, but if I'm playing a bad-ass then I think I'd be more dominant. They usually have me playing little girls, so I'm more submissive. [Laughs]

HS: *Do you like playing little girls? You're only 20.*

BJ: I love it. I love it.

HS: *Have you had anal sex in any of your films?*

BJ: No, but I'm going to. Just wait and see. [Laughs]

HS: *Do you enjoy anal in your personal life?*

BJ: Oh yeah!

HS: *Vaginal or anal sex: which do you prefer?*

BJ: Pussy, first! If it's a special guy that really loves anal, I have to be fucked in the pussy. [He needs to] Just drench me out and cover his cock with my wet pussy juice, just to fuck me in the ass. Then I'm in ecstasy whenever that happens. So if the guy fucks me really good, I'm going to turn around so he can fuck me in my ass or I'm not going to be doing anal.

HS: *Tell me about the first time you had anal sex and was it a good or bad experience?*

BJ: It was a really good experience. I was fucking a porn guy actually, and it was off

**"I'm not dumb.
People think that
because I do
porn I'm an idiot."**

camera. He fucked my pussy and he had been playing with my butt for at least two hours. He just pulled out and just fucked my ass without asking me. I didn't stop him because it felt so good. I loved it. And he had a big cock. Oh my goodness. And I fell in love at that moment—not with him—but with anal. This happened in my first month in the industry.

HS: *Ever do a gang-bang on film or in your personal life?*

BJ: Oh yeah. I've had sex with 12 guys in one day. Not all of them were at the same time, but eight of them.

HS: *How did that happen? You had sex with eight guys at the same time?*

BJ: I was at a Super Bowl party. My girlfriend and I had a bet. If the Packers won, I'd fuck all the guys there and if the Steelers won, she'd fuck them. The Packers won, so I got fucked by all the guys there. It was a lot of fun. Not all of them could get their dicks hard in front of the other guys, so I didn't fuck all of them.

HS: *Have you had sex with a large number of girls at the same time?*

BJ: Yes. The most girls I ever had sex with were a group of swingers back in my hometown in Oklahoma. They were older, [they were in their] thirties and forties,

but they were really hot women, and men: business people, lawyers and doctors. I was with them almost every weekend and fucking all of them. Fucking the wives and the husbands. That was so much fun. The most that I've fucked was six women.

HS: *Are you attracted to older women and guys? Are they your preference sexually?*

BJ: Yes, I prefer to be with an older man,

“I just want to fuck—that's it. That is what is different about me. That's what separates me from other people.”

but I don't really care as long as he has a hard cock. I just like being with an older person because they're more experienced and they know what they're doing, most of the time. [Laughs]

HS: *Do you masturbate often and, if so, when was the last time you did?*

BJ: Yeah. I play with my pussy everyday. The last time was today. I was driving and I carry a Pocket Rocket [vibrator] with me in my car. So I just pulled it out while I was driving. [Laughs]

HS: *Do you do that when you're alone?*

BJ: Yeah, I do it when I'm alone—or I pull it out in front of people. [Laughs]

HS: *What do you fantasize about when you masturbate?*

BJ: I like to think about a baseball team fucking me, and then cumming all over my face!

HS: *Do you watch porn regularly?*

BJ: Yes, just about everyday.

HS: *Have any sexual fantasies come true for you since you started working in porn?*

BJ: No, not really. My fantasies, I want them to be real. In porn it's all set up. It's not real. Don't get me wrong, I love it and I enjoy it, but I want my fantasies to be real.

HS: *When was the last time you had sex?*

BJ: It was this morning with another porn guy. He gave me a real nice Creampie.

HS: *Have you ever had sex with a fan?*

BJ: Not yet.

HS: *Have you had a one-night stand?*

BJ: Oh yeah.

HS: *How many?*

BJ: Off the top of my head, I don't know. Most have been one-night stands. I like to fuck and leave.

HS: *So you're like a guy in that regard?*

BJ: Yeah. They call me "Black Widow."
[Laughs]

"I like to think about a baseball team fucking me, and then cumming all over my face!"

HS: *"Black Widow."* For some reason that makes me think of interracial sex. Do you do all types of guys?

BJ: I'll do any of them; I don't care. I haven't yet [fucked a black guy] on film, but I do it in my personal life.

HS: *Where is the hottest place you ever had sex?*

BJ: The doctor's office. That was really hot! I went to the doctor—I never met him before—and being in this industry there's a lot of pressure on your looks. So I wanted to get BOTOX and the doctor was about to do it, but when the needle got to my face I freaked out. I got really scared because I hate needles. I felt really bad because I wasted his time. I think he was mad at me. Just for that I hooked up with him. His nurses were there and there were people right outside the door—and he just fucked me in front of them [the nurses].

HS: *What kind of girl turns you on?*

BJ: Young girls, older girls, I don't really have a preference. I really don't. I don't care. I just want to fuck—that's it. That is what is different about me. That's what separates me from other people.

HS: *Did you ever have sex with someone that you regretted afterward?*

BJ: No! Well, okay, yes: my best friend's boyfriend. I regret that.

HS: *How long ago was that?*

BJ: Two weeks ago. They broke up and we're not friends anymore. It was a really good fuck, though. [Laughs]

HS: *What's one superpower you wish you could have?*

BJ: [To] Read minds.

HS: *Name a female celebrity you would most like to have sex with and why?*

BJ: The thing is that there are not a lot of hot celebrity girls. I would say I love the Victoria's Secret models. They are probably the most gorgeous women out there. If you consider them celebrities then I would say them. I just think they're hot.

HIGH SOCIETY PRESENTS ON THE SET OF...

STAR TREK

THE NEXT GENERATION: A XXX PARODY

Acme Andersson

APRIL O'NEIL

BOBBI STARR

DANA DeARMOND

INDIA SUMMER

KIMBERLY KANE

STARRING: APRIL O'NEIL, BOBBI STARR, DANA DeARMOND, INDIA SUMMER AND KIMBERLY KANE WITH LEE BANG, ROCCO REED, TYLER KNIGHT AND XANDER CORVUS **DIRECTOR:** SAM HAIN **STUDIO:** REVOLUTION X/DIGITAL SIN

There are a handful of *Star Trek* parodies out there, but for Trekkies there is only one that meets their obsessive standards and *this is it!* The sets and lighting are close to the real thing and this guy Giles they got to play Picard is an amazing lookalike. And the fucking is everything a fan of the show could ever have dreamed of.

The ladies charged with making the sex "out of this world" are April O'Neil, Bobbi Starr, Dana DeArmond, India Summer, and Kimberly Kane, five girls who have proven time and again that they can both screw and act, making them the perfect double whammies.

Like any good television show, there are relations that are insinuated or built up over time and *Star Trek The Next*

Generation is no different. That gave director Sam Hain the perfect jumping-off point for taking these characters to their final, sexy frontiers.

Lusty **April O'Neil** gets things going first in her role as Counselor Troi. She matches up with Commander Riker (Rocco Reed), showing another side to her abilities to communicate. Her oral skills here are of the non-verbal variety, but her stance—on her knees—says it all. She slobes nicely as she works his cock in and out of her mouth, looking up for eye contact with the commander who doesn't have to do much *commanding her*—this girl knows her job well.

The uniform slides off slowly and with his cock ready to go where many men have gone before, she bends over on

the chair and lets the magic begin. She grasps his hand and looks back at him with all the desperation of a girl looking to return to earth, but that's not what she wants at all: It's his spaceship inside her landing pad and he is precise, hitting her target again and again.

In this and other positions we see April's fantastic body: big, real tits that move with the action and a pretty pink taco that is delicious-looking as she spreads her slim legs wide, her little muff trimmed to just above the fold so we can see her inviting snatch take his cock. After a reverse cowgirl that has his finger slipping into her ass, April accepts a huge load on her rack that marks the end of another successful mission.

April O'Neil's oral skills may be of the non-verbal variety, but she executes her job well!

Porn rocketeer Rocco Reed prepares to go where many a man has gone before!

Digital Sin

The next penetration belongs to **Bobbi Starr**, who is always a home run. The super-beauty plays Geordi's (Tyler Knight) engineering partner and together they engineer a sizzling scene that wastes no time getting to the good stuff.

As is often—or maybe always—the case, Bobbi sports a bush that is retro in size, but the important areas have been cleared for our viewing pleasure. She is quick to get to the cock-riding and her body is truly something any guy would be over the moon with—on Earth or in outer space. Her tits are small but active, an obvious erogenous zone as she squeezes and caresses them, and her pussy is still tight after all these lays. Geordi takes her from behind and is obviously happy with the tight hole his holodeck pal shares. She turns to kiss him as he pumps and then he pulls out and aims for her mouth, but most of it lands on her tits. That works for her and for us. Win-win!

The Next Penetration: Tyler pumps his horny holodeck full of extraterrestrial schlong.

Ensign Ro wiggles and wails
as Bang's leviathan cock
probes deep.

Dependable **Dana DeArmond** steps up next as Ensign Ro and takes on Worf (Lee Bang) in what is a typically energetic scene for the sexy lass. Her makeup is minimal, especially compared to her partner, but any distraction that might cause non-Trekkies vanishes just as soon as Bang's black cock finds itself in her rosy mound. She mounts him eagerly, his cock puffing out her pussy, the lips of her hole creeping down his shaft until his balls are pressed against her taint. She wiggles and wails as she works him in, then she turns around and lets it fly, her fingers playing with her clit as she bounces her way to three dozen orgasms.

When Lee turns things his way, he does in doggie-style (where the Ensign amazingly still seems to be in charge) and then with a standing spoon, an excellent pose for showing off the pleasantries of this young girl's fantastic figure. Soon after, he adds some gloss to that figure by covering much of it with a laborious load than seemingly shines on this starlet.

The final cunt here belongs to **India Summer**, though the way Data (Xander Corvus) handles it you'd think it were his to keep. The sultry-eyed goddess gets on top first, perhaps wondering if Data is up to the task. He is awed by her little flesh pillows and the silky feel of her wet twat and she soaks up the attention, as well as an early pop that we have to assume is in keeping with his character.

Either way, no problem as this sex processing duo continue on and Data drives deep, keeping his cock hard as he takes her from behind and works his fingers on her hard clit, making sure she gets a couple orgasms out of the deal, too. When it comes time for his official blast, nothing is held back and our blonde-wigged goddess jerks a nice, thick load that he aims at her milky boobs.

Sex processor India Summer soaks up all the raw Data she can find.

Digital *Sin*

Kimberly Kane as Dr. Beverly Crusher gets the final bit of action here in a blowjob with Picard—stunt-cocked for posterity's sake, as the actor pictured above is an actual Hollywood-type professional, not a porn star. Kimberly is a dream even without a cock, and moving this tool in and out of her mouth until it explodes and overflows is the perfect way to end the movie—and hopefully to tease us for more from her in the next volume.

Take it easy, Klingons!

A Picard lookalike may look the part, but his cock doesn't launch the final load down Kimberly's larynx.

Jelena and Ryan are passionate booty foodies. Of course, the dish of choice for these gash-eating gourmets isn't found in the kitchens of the hottest downtown eateries. Fresh clam is their bread and butter. Their palates are so refined that they can identify each other's latest sex partners on twat taste alone. Ryan slips between Jelena's thighs and has a nice long lick of ambrosia. Jelena's softshell twat is dry and salty. Hints of brine and medicinal notes of smoke permeate the poon. Her pussy tastes outstanding—as always. "Girl!" giggles Ryan, "I could eat out your pussy forever."

HALF-BAKED

Dylan Ryder wanted to do something nice for us in the kitchen—so she lubed up her giant jugs with cake batter, then started diddling the pink, fleshy folds of her pussy! “If I knew you were cummin’ I’d have baked a cake, but instead you can just lick the batter off me if that’s alright with you,” inquired our slutty chef with a naughty smile. Not exactly the treat we were expecting, but very tasty nonetheless...
